Order Regarding Participation at the Confirmation Hearing  
by Creditors Who Filed Objections Without an Attorney

As a creditor, without counsel, who filed an objection to the City's plan of adjustment and spoke at the hearing on July 15, 2014, I respectfully request the opportunity to file a motion to present evidence at the confirmation hearing by creditors to support my objections.

I plan to apply the following procedures when presenting evidence at the confirmation hearing if my motion to appear is approved.

- 1) I will speak to my objections without calling on witnesses
- 2) The subject matter of my testimony is as follows
  - a) The affects of Pension and COLA reductions as they apply to x- spouses
  - b) The City's failure to contribute to the Pension System
  - c) The issues surrounding the Annuity Savings Account Fund Recoupment
  - d) The City's "New Accrued Pension" Plan effective July 1, 2014
  - e) The basis for pension earnings
- 3) I anticipate the time to merely read my objections without having to reference any of my supporting documents will take approximately one half hour.
- 4) Based on the hearing that I spoke at on July 15, 2014, the issue of EDRO's was not brought up by anyone else in attendance and many of the issues surrounding the ASF recoupment that I plan to address have yet to appear in any documents I have read. I have no way of knowing who else would be speaking or their subject matter so for me to state in a matter-of-fact manner that my proposed evidence will not be duplicative of other evidence is impossible.
- 5) The documents that I will offer into evidence during my testimony will include the following:
  - a) A copy of the EDRO for Gregory Penney that was filed with the City of Detroit
  - b) Various quotes from the Notice Regarding Proposed Changes to Pensions in the City's Plan of Adjustment and Your Right To Vote On The Plan
  - c) Referencing the statement made by Steven Wojtowicz at the July 15, 2014 hearing
  - d) Referencing various quotes from the Letter From The Official Committee of Retirees to All Retirees
  - e) Referencing information contained in the ballot sent to Gregory M. Penney, retiree

- i) Reference to the June 28, 2014 information sent out regarding the calculation of the ASF Recoupment.

I would appreciate the Court accepting my motion to participate in the upcoming confirmation hearing. I would also appreciate a prompt response to my request to appear so that I can set aside that day and time.

Respectively yours,

ELAINE E. THAYER
